**ALPEN ADRIA YOUTH MEETING 2017**

17 - 23 September 2017, Carinthia/Austria

**Idea:**

The Alpen Adria Youth Meeting will be hosted by the Austrian region Carinthia and will take place in Cap Wörth, Velden, on the shores of the Wörthersee from 17<sup>th</sup> – 23<sup>rd</sup> of September 2017.

There will be invited 20 people aged 18-25 from the Alpen-Adria-region (Carinthia, Friuli, Slovenia), who are interested in environmentally relevant topics, to discuss the topic climate protection with special focus on the topic „Sustainable mobility for the future“ from the perspective of young adults and let them work out possible solutions.

**Aim:**

At the end of the event, the achieved results will be summarized into a petition. This petition will be presented, discussed and submitted to the responsible politicians of the province of Carinthia during a final event.

The petition elaborated by the young people will be handed over by the Carinthian Minister for environment to the leader at the UNFCCC conference COP in the fall of 2017 in Bonn.

In the youth meeting, methods of group work with discussion are used, which is accompanied by professional and methodical support by a supervisor-team. Furthermore, professional information is provided in the form of lectures.

In addition, a workshop on electromobility is held and a supporting program (excursion and sports) is offered.

Furthermore, another essential aspect and goal is to offer young people from the Alpen Adria region an opportunity to get to know each other and enable them to initiate cooperation.

**Full board accommodation in the Youth Hostel Cap Wörth will be provided!**
